

Title: Regional PR Agent

Role: To promote the Free World Charter and Freeworlder in your local area

Description:

We're looking for passionate, driven individuals to take the reins for promotion of the Free World Charter and Freeworlder in your local area. This is a great opportunity to get actively involved in promoting the possibilities of a free world to your local press, helping us spread our message far and wide!

Responsibilities:

You will be the main press contact for the Free World Charter and Freeworlder in your local area with the following responsibilities...

- Building relationships with the local press
- Distributing press releases (sourcing translations if applicable)
- Researching relevant local news to tie in with FWC/FW to create appealing local press releases
- Coming up with ideas for PR strategies in your area
- Attending relevant events in your area to increase publicity
- Maintaining communication with Regional Community Contact
- Reporting to PR Manager regularly with details of progress

Skills and experience:

Though not essential, PR experience would be helpful, along with the following...

- Friendly, outgoing and determined attitude
- Passionate about the Free World Charter and Freeworlder
- Existing relationship with media contacts in your local area (or willing to create them!)
- Organised and hard-working
- Excellent written communication skills
- Keen on following trending news stories
- Imaginative and eager to think outside the box

Please note, this is an unpaid, voluntary position but successful applicants will have access to exclusive content, ebooks and merch while playing a pivotal role in an important global change-making organisation.

To apply:

Send an email to pr@freeworlder.com and tell us a little bit about yourself, which region you'd like to cover, and why you think you'd be a good fit for the role. Please include any written samples you may have. If you don't have any, create something and show us what you're capable of. This is your chance to shine so show us what you've got!
